

Research & Innovation

Solutions for Industry

The multiple projects were completed with the utmost professionalism and quality. The information the students provided has been directly used in my business and helped spur growth. They provided great insights and ideas and the Research & Innovation division makes working with the students very easy.”

David D'Angelo, *Owner*, Trivium Industries

Research & Innovation

Solutions for Industry

As a young company, the value we received from the students and Niagara College is priceless and we're excited to take what we learned and apply it to our global expansion goals in the coming years."

Cassidy Fenton, *Marketing & Sales Coordinator*
Ultimate Kiosk Inc.

Work with our students on course-based projects

INDUSTRY PARTNERS have the ability to address a challenge by having an entire class work on a project. They receive innovative ideas, while at the same time connecting with students who may be on the hunt for a job in this industry.

AS A PROJECT PARTNER, YOU NEED TO:

- Be available to meet with students, describe your company and outline your project
- Be available periodically for questions and feedback
- Attend the final presentations (where applicable)
- Provide comments to the course instructor

AS A PROJECT PARTNER, YOU WILL RECEIVE:

- A final report and/or materials
- A certificate of partnership
