

The COVID-19 pandemic forced us all to scramble to put everything online – from classes and team meetings, to medical appointments.

FEBRUARY 23, 2021 // 11 A.M. - 12 P.M.

Digital fundraising and donor stewardship in the time of COVID-19

As health and social service agencies move forward, it will become increasingly necessary to capitalize on digital fundraising strategies and low cost tools, as well as sustain these positive relationships with new donors.

Topics Covered:

- Digital fundraising strategies and best practices
- Low cost or FREE tools available to implement digital fundraising
- Guidance on donor stewardship principles and best practices

Facilitators:

PAULA REILE AND STAFF //
Research Project
Manager, Business and
Commercialization Solutions

WENDY DUECK //
Director, Development
and Alumni Relations
